The stamp of quality is as obvious on Kelly-Springfield Tires as it is on any other hand-made article of genuine worth. It is as inimitable, as unmistakable as the impress of good breeding on a man or woman. But

## Kelly-Springfield

Tires are not made so carefully merely to give them an air of distinction; it is mileage that is built into them so slowly and painstakingly by hand. And judged by the acid test of actual mileage, Kelly-Springfield Tires are as good as they look. They are built up to a standard—not down to a price-list.

## 75-CENT SILVER BEING PREDICTED

## AUTHORITIES ON WHITE METAL OPTIMISTIC; FOREIGN BUYING DRIVING UP PRICE

Seventy-five cent silver within the next four months' time is being predicted by students of the white metal market, says the Salt Lake Tribune. As a consequence, they are also predicting the greatest mining revival throughout the western states in the history of the industry. The recent rise of the metal is attributed to heavy buying orders from foreign countries caused by a scarcity of silver in those countries at the present time. Authorities conversant with the situation abroad are of the opinion that the demand will show a steady improvement from now on. Silver was quoted at 51 1/2 cents an ounce yesterday.

Another factor entering into the present position of the metal is that the supply from Mexico during normal times in that country has been off the market ever since the war began. This has added considerably to the scarcity of the white metal both in European and in South American countries. Advances from smelting interests operating in Mexico are to the effect that that country will be out of the silver market for a considerable period of time to come.

A factor that is receiving considerable attention in the market at present is the possibility of coinage reform in China. It is said that steps are being taken in that country to change the present monetary system and reports are in circulation in London to the effect that China will issue 200,000,000 one-dollar and 80,000,000 half-dollar coins in the first two years after the change has been inaugurated. In the three years following there will be issued 235,000,000 ten-cent pieces and 50,000,000 three-cent coins. According to the reports, China will in the next five years issue 275,000,000 two-cent coins, 858,000,000 one-cent coins known in China as "10 cash" and 186,000,000 1-cash coins, the smaller coins, however, to be made of copper.

Those predicting 75-cent silver are also calling attention to the probability of the present warring nations in Europe adopting a silver basis after the conflict ends, the constantly increasing enormous demand for small coins with which to pay off the soldiers and those dependent upon them at present, and the increasing demand for the white metal in the arts.

## BIG SUM RECEIVED FROM TIMBER SALE

Governor Boyle is in receipt of a check from the United States treasury department at Washington for \$16,244.53. This represents 25 per cent of the amount the government has received from the sale of wood and rental of grazing lands on the forest reserves within the state of Nevada.

Under an act of congress this money is apportioned to the state, to be distributed pro rata in each county according to the number of acres of forest reserves, for the benefit of the public school system. Accordingly Douglas county will receive \$12.69; Elko, \$8,394.55; Mineral, \$3,044.54; Esmeralda, \$93.33; Lyon, \$20.68; Nye, \$541.85; White Pine, \$1,161.31; Humboldt, \$2,081.59; Washoe, \$157.67; Eureka, \$215.04, and Lander, \$471.28.

## DIVORCEE DIES

Information has been received in Reno of the death in New York on November 6th of Mrs. Freda Marsh Young, a prominent member of the divorce colony several years ago, who married Fred Young, a prominent mining engineer of Reno. She was formerly Mrs. Freda Marsh Peet, a member of the Thaw family.

## HIGH SCHOOL TEAM ENJOYING A REST

## GRINDING PRACTICE FOR BIG THANKSGIVING GAME IS ENDED

The high school football team is taking a short rest from grinding practice, preparatory to the big game next Thursday with Goldfield. The last game with Reno proved a bruiser for the boys, and a short rest will be just the thing they need for the hard game on Thanksgiving.

George Ryan, one of the strongest men in the back field, is still out of the game, and grave fears are current that his leg cannot be conditioned in the few days that remain. Ryan's absence from fullback's position will mean a change for Capt. Joe Murphy from right end, a position that he has covered with credit throughout the season. Baby Bahor takes Murphy's end, as he did in the Reno game, and from his conduct at that time will show to good advantage. The final selection of the team will be made at the rally in the Butler theater on Wednesday evening.

The high school stunts are now going through final rehearsals with absolute satisfaction to those in charge. The little Dilworth girls' costumes are very pretty, adding a great deal to their clever little steps. "The Opera," a burlesque duet made famous by De Wolf Hopper and Lillian Russell, as presented by Irma Fottz and Tom Walker, is to prove a scream.

The cast of "A New Bonnet," a comedy of intrigue, jealousy, scrap and make-up, has worked very hard, and Miss Hickok, who has its direction, pronounces it excellent. The characters and cast are the following:

Mr. Frisk ..... John Cuddy  
Mrs. Frisk ..... Helen Mitchell  
Mrs. Everham ..... Loretta Walsh  
Emily ..... Louise Dilworth  
Mr. Desert ..... Joe Murphy  
Mme. Debonaire ..... Gracella Rountree

## SCHOOL EXHIBIT IS ATTRACTING ATTENTION

## DISPLAY OF WORK IN VARIOUS ROOMS CAUSES FAVORABLE COMMENT

The display of the work of the various rooms of the Tonopah schools is attracting an immense amount of interest. The various exhibits were inspected by those who attended the reception last evening and were pronounced exceptionally good. Those who have not yet availed themselves of this opportunity to see for themselves what is being accomplished in the city schools of Tonopah are urged to take the time to-morrow to visit the high school building at any time and to take all the time wished for seeing the entire display.

## AUTO THIEVES ARRANGED

R. L. Gull and E. Schmidt, the two men captured just the other side of Verdi, Thursday afternoon, with an automobile they had stolen from A. W. Lincoln of this city, were arraigned before Justice of the Peace Unsworth yesterday and bound over to appear at the preliminary examination. Their bonds were fixed at \$1,500, in default of which they were remanded to the custody of the officers.—Reno Journal.

## NEW TODAY

## Coffee

You have small chance to get good coffee if you think that high-priced coffee is pretty much alike!

There can be exceptionally good coffee, you know; and it needn't be extravagant!

You will never find it packed any other way than in airtight tins; evenly ground; with the bitterish chaff taken-out.

The economy of Schilling's Best is in its extra-strength—makes more cups of good coffee.

Application No. 3847

Notice of Application for Permission to appropriate the Public Waters of the State of Nevada

Notice is hereby given that on the 22nd day of October, 1915, in accordance with Section 59, Chapter 140, of the Statutes of 1913, one J. C. Tognoni, of Duckwater, County of Nye, and State of Nevada, made application to the State Engineer of Nevada for permission to appropriate the public waters of the State of Nevada. Such appropriation is to be made from Cold Spring, which raises in the channel of the Old Williams Ditch, at a point in the NE 1/4 of NW 1/4 of Sec. 32, T. 13 N., R. 56 E., M. D. B. & M., by means of excavations and development work, and 1/2 of 1 cubic feet per second is to be conveyed to the SW 1/4 of NW 1/4 of Sec. 29, T. 13 N., R. 56 E., M. D. B. & M., by means of ditches and there used for domestic and stock watering purposes. Water not to be returned to stream.

Date of first publication Nov. 9, 1915.  
Date of last publication Dec. 7, 1915.  
(Signed) W. M. KEARNEY,  
State Engineer.
